In continuation editorial office would also like to express high gratitude to the reviewing committee or eminent Reviewer Board for their appreciable efforts kept in for reviewing the researches to enhance the quality of the article content and making it up-to-date, reader friendly, and high standards, and also for their valuable time spent on these researches. The journal has more than 80 members in the reviewer board, who have contributed in the maintaining the journal quality and standards.

CLASSIFICATIONS AND SCOPE OF THE JOURNAL

The Journal of Entrepreneurship Education (JEE) is an open access academic and professional journal affiliated to the Allied Business Academy.

JEE aims to cater to the broader needs of the business schools that focus on the entrepreneurial training and development as an academic course. Apart from practicing entrepreneurs, trade, commerce and industrial sectors, the journal considers researchers and students as their primary target groups.

With an acceptance rate of 30%, JEE follows double blind peer reviewing policy to maintain the publication standards. JEE encourages theoretical and empirical works in Entrepreneurship, Entrepreneurship (International), Entrepreneurship Education and training for publication. More information on the types of manuscripts published and the categories of research accepted are displayed in the Journal Matrix section of this website.
